

# LAURA BERNARDELLI

## Senior Finance Executive

Laura Bernardelli has extensive international experience as finance and business leader working for major international companies in global, regional or in-country roles. In her multiple financial leadership positions, she has held responsibilities over Financial planning, Accounting, Tax, Treasury, Internal controls, Restructuring, Acquisition & Integration, IT.

She has proven expertise in strategy and transformation leading growth initiatives including Acquisition & integration and new business model, and organizational restructurings.

Prior to joining Datalogic as Group CFO, Laura served at Schneider Electric as Senior Vice President Group Controlling, Reporting, Digital Finance and previously as SVP Finance of the Low Voltage Business based in France. Before joining Schneider at ITT Corporation, Laura served as CFO of ITT Italy and subsequently joined the spin-off process of the Water business of ITT Corp into the newly created Xylem inc. (S&P500) as Vice President of Corporate strategy of Xylem Inc. based in New York. She then played a key role in the creation of the new Xylem EMEA region leading the design and implementation of the financial and tax set up of the region of which she became the CFO based in Switzerland.

Prior to ITT, Laura was named Chief Accounting Officer and then CFO of the Comau Group (FCA).

Before FCA, Laura was Finance Manager for several Business Units at General Electric Oil&Gas. She also spent her first years in Manufacturing Finance at Eridania-Beghin Say.

Laura also has been Board of Directors and Supervisory Board member of subsidiaries
